The Safe Driving Pledge campaign encourages residents to drive safely and courteously, as well as to spread the message about this program.

How does it work?

1. Marin County residents learn about and take the Pledge online (see reverse).
2. A Safe Driving Pledge decal is mailed, and drivers display it on the rear window of their vehicle.
3. The Safe Driving Pledge decal shows other drivers that you are taking part in a community-based effort for safer streets, and encourages others to join the campaign.

TAKE THE PLEDGE!

Join the other drivers who have chosen to become part of the solution for safer streets in Marin.

SPREAD THE WORD!

Participants are invited to promote the program using a variety of tools. Check the website for resources and help spread the word.

By taking this pledge I am doing my part to make our neighborhood streets safer and friendlier for all.

SAFE DRIVING PLEDGE

- 1. I will drive within the posted speed limit or slower depending on current conditions.*
- 2. I will plan to leave early so I don't have to rush to be on time.*
- 3. I will not give in to the impatience of others to drive above the speed limit.*
- 4. I will only talk on my phone while driving when the call is urgent and the call is hands-free.*
- 5. I will not text or use other handheld devices when driving.*
- 6. I will treat people who are walking and bicycling with respect and share the road safely with them.*
- 7. I will display the Safe Driving Pledge decal on my vehicle and encourage others to take the pledge.*
